

Capital régional et coopératif Desjardins

Schedule of cost of investments impacting
the Québec economy

As at December 31, 2024

(in thousands of Canadian dollars)

Independent auditor's report

To the Directors of Capital régional et coopératif Desjardins

Our opinion

In our opinion, the accompanying financial information of Capital régional et coopératif Desjardins (CRCD) as at December 31, 2024 is prepared, in all material respects, in accordance with the provisions of Section 18 of the Regulation respecting Development Capital Investment Fund Continuous Disclosure.

What we have audited

CRCD's financial information comprises the schedule of cost of investments impacting the Québec economy as at December 31, 2024 and the note to the financial information, which includes other explanatory information.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial information* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of CRCD in accordance with the ethical requirements that are relevant to our audit of the financial information in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Emphasis of matter – basis of accounting and restriction on use

We draw attention to the note to the financial information, which describes the basis of accounting. The financial information is prepared to comply with the provisions of Section 18 of the Regulation respecting Development Capital Investment Fund Continuous Disclosure. As a result, the financial information may not be suitable for another purpose. Our report is intended solely for CRCD.

We make no representations or warranties of any kind to any third party in respect of this report. Our opinion is not modified in respect of this matter.

PricewaterhouseCoopers LLP
1250 René-Lévesque Boulevard West, Suite 2500, Montréal, Quebec, Canada H3B 4Y1
T.: +1 514 205 5000, F.: +1 514 876 1502, Fax to mail: ca_montreal_main_fax@pwc.com

"PwC" refers to PricewaterhouseCoopers LLP, an Ontario limited liability partnership.

Responsibilities of management and those charged with governance for the financial information

Management is responsible for the preparation of the financial information in accordance with the provisions of Section 18 of the Regulation respecting Development Capital Investment Fund Continuous Disclosures; this includes determining that the applicable financial reporting framework is acceptable for the preparation of the financial information in the circumstances, and for such internal control as management determines is necessary to enable the preparation of financial information that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing CRCD's financial reporting process.

Auditor's responsibilities for the audit of the financial information

Our objectives are to obtain reasonable assurance about whether the financial information as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CRCD's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
